RMSB, Inc is a Locally Owned Business

A 50% Deposit is required to place an order w/ balance due upon completion. RMSB, Inc. does not obtain necessary building permits or home owners association approval. RMSB, Inc. will provide customized building plans drawn to scale for customer after a shed order is placed, for additional fees. If order is cancelled due to Building Dept. issues in any County or City or by Customer's Home Owner's Association, or if order is cancelled before or after construction has begun, RMSB Inc will retain no less than \$500 and any costs incurred by RMSB, Inc., or any of its suppliers, subcontractors, architects, or any cost incurred up to cancellation of customer or denial by Building Dept. Customer is responsible to check with both the local building and home owners association for your property requirements. Prices subject to change without notice. Mountain/Foothill surcharges may apply. Onsite builds available within a certain radius. A 2' perimeter is required around construction for onsite builds. RMSB, Inc can set sheds in place after construction for additional fees. Customer is responsible to purchase a shed size that fits appropriately. A level and flat site is required.

Freight & Sales Tax Calculated at Time of Purchase.
 Prices subject to change without notice.
